

## VS-7C / VS-S6

## PLASTIC CASE SET (mm. size)

STEEL : STAINLESS (≒SUS440A) / PACKAGE : Plastic case

VS series wrenches are made of stainless steel heat treated to HRC53-60. High rust resistance and abrasion resistance are suitable for work environments and industries including shipyard, fishery, marine sports, foods and chemicals, farming equipments etc.

- ※ This particular stainless steel material is magnetic (not a non-magnetic product.)
- ※ Even with its high rust resistance nature, wiping with dry cloth after every usage is advised to prevent wrenches from rusting.

**VS-7C**  
Plastic case dimensions :  
203 × 133 × 37mm

**VS-S6**  
Plastic case dimensions :  
188 × 88 × 35mm

Item No.	Pcs.	H								Inner	D × W × H	g
VS-7C	7	2.5	3	4	5	6	8	10		10	290 × 217 × 206	6,045
VS-S6	6	2.5	3	4	5	6	8			20	385 × 203 × 196	6,550
